AFRICA THEOLOGICAL SEMINARY

Training the Heart
Instructing the Mind
Empowering the Hands

Our Goal

Is to provide men and women of God with affordable training that shapes character and defines ministry skills founded on sound Biblical teachings.

AFRICA THEOLOGICAL SEMINARY:

BIBLE AND THEOLOGY

- ◆ Establishes each graduate on a firm orthodox and evangelical theological base.
- ◆ Makes graduate respond to the African realities and world-views for an on-going process of evangelization and transformation into Christ likeness.
- ◆ Develops the graduate's preaching and teaching skills to the point that each is able to communicate biblical truth effectively in their setting.
- ◆ Prepares the graduate for continued personal growth through disciplined Bible study and research.

COUNSELING PSYCHOLOGY

- ◆ It provides knowledge and skills necessary for competence in counseling practice.
- ◆ It is both academic and experiential in approach
- ◆ Is well integrated with biblical concepts and practice
- ◆ Counseling services are offered in our clinic at affordable rates
